

The Trojans are here!

Originally started in the 1960's by some rebellious young members, the Rickmansworth Trojans have a place in the heart of many past and present members.

On the 18th March, a training room full of interested parents/volunteers/children braved the snow to discuss the revival of the **RICKMANSWORTH TROJANS**.

Who are the Trojans?

The opportunity for the younger members of the club and their friends to get out on the water and have some fun; with supervised activities on and off the water it's the chance for new friends to be made and experience to be gained whilst still having fun.

Whether you want practice for an RYA Course, learn how to get into racing, or simply just want to mess about in boats, the Trojans are here to make sure fun is had in a safe environment.

With the aim to split the group into 'Junior' and 'Youth' sections this will make sure all age groups get as much out of their time with us as possible.

Does it cost?

Currently, the sessions are free of charge, but donations would be greatly appreciated! We're lucky enough to have access to a wide range of club boats to use for free during Trojan sessions.

When is this all happening?

 - ◆ 7th July (run by Peter and Alexia de Schulthess)
