Rules and Terms

I agree to abide by the Club's Rules and Bye-Laws, specifically to effect and/or maintain a policy of insurance that will provide indemnity to third parties for an amount not less than £3,000,000 in respect of my boats whilst on the Club premises or water. I further agree to ensure that my boats are in good order and have adequate buoyancy when sailed on club water. With the exception of Club owned boats, RSC will not accept liability for loss or damage sustained to or caused by any boat on our land.

I understand that members are required to carry out Club duties as shown in the Club handbook. If unable to perform an allocated duty I will arrange a substitute and advise the duty officer for the day accordingly.

If I am the parent or guardian of any juniors listed above, I accept responsibility for their conduct and safety whilst taking part in club activities as per Club rules and bye laws.

I accept that all sailing is at my sole risk and I am responsible for myself, my boat and crew, whether afloat or ashore.

Please refer to the sailing instructions for full details.

Please read the above Rules and Terms carefully,

Working Party Attendance

A £50 per household working party levy is payable at the first renewal date (i.e. if you join in May then the working party levy would be due on 1st November) and every year thereafter. This is a payment in advance which is carried over to the next year, providing a member of the household attends **at least 2 working parties** in the year.

It is important to remember to sign in when attending a working party, so that you are not charged the levy in error for that membership period.
